Corrupt' - July 17, 2018, 8:36 pm

Selling my 120k+ babe niche account on IG. Grew from 41k to 120k in about a month and gains 2-3k per day. Average posts gets 5k likes, 100+ comments, great posts get 8-13k likes with 200+ comments. No OG email as account is about 2 years old. Only selling if price is right.

C/o: \$800 flipmass

BIN: \$1,000

Cash App preferred, BTC accepted.

POF matching offer to know @ to eliminate time wasters as I won't even consider anything under c/o.

Edit: just hit 130k+
