Thread: [RocketBoost - Overwatch, WoW, LoL, CS:GO boosting service! \[SUPER FAST | SUPER CHEAP\]](#)

Anakin™ - July 18, 2018, 5:21 am

Website for auto orders will be up soon.

Introduction

I formed a group of experienced boosters in several games.

I'll be offering the service here.

The boosters have several years of experience and can start immediately after the payment went through.

I accept ETH and Paypal.

Overwatch

Boosting done by GM players (4300-4400) through VPN to your country.

Ready to start almost instantly after the payment.

This service is available only on EU servers.
