So 270 MP/H on the counter? How much KM/H is that?..

Is that a self build frame or a rebuilt lotus or something?

so sexy! wonder what would happen if you just turned the wheel left/right really fast going 270 mph..

DawnOfTheDead - July 18, 2018, 6:06 pm

You would drift way fast to the first side of that you first steering into.

Post more video clips of fast cars please!
