Thread: [Display user's current bytes amount in lottery screen](#)

thales - July 19, 2018, 10:31 pm

Would be nice to have your amount of bytes displayed in the lottery screen to make purchasing tickets easier.

Will allow people to easily calculate how many tickets they're able to purchase.

Reasonable suggestion. I'll have Xerotic make the change.

Awesome appreciate it ?

Omniscient - July 19, 2018, 10:59 pm

Meh, just did it myself quickly.
