Thread: [First UNOFFICIAL Bytes Lottery - 40000+ Bytes Prize!](#)

Lavish Living - July 19, 2018, 11:15 pm

<https://hackforums.net/lottery.php?action=view&lotid=4>

Omniscient currently has 100 tickets... everyone get more than him so he doesn't win (yes I know that's not how a lottery works but it still lowers his chances)

Good luck to all.

check out the unofficial weekly bytes poker tournaments as well!

Entered just for the fun of it thanks for this

Lavish Living - July 19, 2018, 11:59 pm

Yes, I spent \$535 on the 40,000 Bytes. Do I care? Not really, I am just THAT happy about r00t!

w00t for r00t!

This won't get as much publicity as his, so it'll need some more time. Idk... I think it'll be fine, it's too late to edit it anyways. The prize may hit 100k+ bytes, which would be epic haha. There wasn't any confirmation page, so it was semi-unintentional... I am a noob at hosting lotteries sorry ;(

SIM-403479 - July 20, 2018, 12:28 am

Awesome work. I'll save up and buy some nearer the time!

I'll get in on this one even though it's a month away.

Helps the activity of the forum.

Vitani - July 20, 2018, 1:52 am

This is awesome, I will be sure to enter this later today. Congratz on being the very first r00t user and all the awards by the way!

Neta - July 20, 2018, 2:59 am

How does one simply get 5 bytes? :O

criminal?????????????? - July 20, 2018, 3:05 am

I bought like 35 tickets, hopefully I take it all home. Vitani definitely has the better odds!

Undefined - July 20, 2018, 3:37 am

Best I can do is 1 or 2 tickets LOL

not atm, but like 400 more r00t upgrades and then it'll be possible... hahahaha

im not tripping tho didnt do it to break even/care about the bytes, just giving back to the community. It'd be nice to sell like 12k+ tickets to hit the 100k+ bytes grand prize

B0Trun - July 21, 2018, 12:29 pm

Posting here to join the contest , bought some tickets .

Lavish Living - July 21, 2018, 3:16 pm

we broke 1k tickets, pretty nice. keep it up boys lets hit that 80k ticket mark

Lavish Living - July 22, 2018, 5:05 pm

If every gets another 100 tickets we'll have ourselves a nice damn lottery!

Lavish Living - July 23, 2018, 12:43 pm

Have a lot of bytes... if you wanna use my bytes to enter into my lottery pm me we can work out an arrangement hahaha

Lavish Living - July 25, 2018, 10:06 am

Lottery time boys. Let's get this over 50k bytes!!

Lavish Living - July 26, 2018, 4:23 pm

40281.3 Bytes

Barely over the amount I put in at the beginning, but hey still got a few weeks. Can easily surpass 50k bytes, 100k will be pushing it tho.

Lavish Living - July 27, 2018, 8:55 pm

WHOEVER BUYS THE 3,000th TICKET, gets 500 bytes directly from me.

you must show proof somehow (currently at 1994 so the next ticket purchaser would get 1995-xxxx depending on how many they buy)

I remember seeing some other user when the bytes FIRST became a thing; he had like 45k. His avatar was some black dude? idk who it was. ?

Always wondered where he got that much; so quick.

i do not believe anyone had 45k right off the bat... you can see the largest holders on the bottom of this page -

<https://hackforums.net/stats.php>

the only ones who had alot, relatively quickly were Lovely?: 24912.48 Bytes and Silver Fang: 17350.00 Bytes, both of which sold their lottery winnings to me. That's how I originally had acquired 45k bytes in order to fund this lottery. Then Omni rolled a 10k-100k random generator for me and I hit 47k bytes. I also won the 3rd official lottery for 7k bytes. But yeah, no one has ever had 45k bytes other than me. (and omni/xerotic)
