Thread: [Upgrade Price Increases](#)

Omniscient - July 19, 2018, 11:20 pm

Currently 3p1c is \$12 and L33t is \$20. These are going to be increased.

3p1c \$12->\$15

L33t \$20 ->\$25

This is your last chance to get these upgrades at the current price level. I will be changing them early next week.

Thank you.

\$20 is a steal for l33t. l33t definitely has a lot more privileges than being a non-upgraded member.

Last chance to upgrade for cheaper guys and get a lot of useful features!

Almonds - July 19, 2018, 11:24 pm

I might just have to get 3p1c ?

As a member of 3p1c and a former member of l33t, I can vouch and say the features that come with these usergroups are very useful.

I'd say they are definitely worth it. Upgrades have always been fairly cheap on HF. My advice to all un-upgraded users: get it on the cheap, while you still can!

This new price Increases is very understandable.

In my opinion it was needed.

Times are changing folks for the better.

Great job Omni and the Admin team. ?

criminal??????????????? - July 20, 2018, 3:09 am

Omniscient - July 23, 2018, 11:38 am

Prices are now set to \$15 for 3p1c and \$25 for L33t.

Oof, managed to buy one literally few hours ago ?

Stuni - July 23, 2018, 11:44 am

I won l33t + 3p1c in a contest lol. I was never having money to buy the upgrades.

SIM-403479 - July 23, 2018, 3:45 pm

For a lifetime upgrade they're definitely worth the money. Many places charge per month.

Grab this while you can guys.

That'll never happen lol... I don't see l33t ever being removed.

Punisher - July 31, 2018, 4:49 pm

Well even at the new prices the upgrade is worth it.

Do it.

WageWolf - July 31, 2018, 5:24 pm

Just bought both at the new price, it is still worth it, loving all the extras! ?
