Thread: [Cpa or cpl](#)

lepseudo - July 20, 2018, 1:04 pm

Hi, i start With snapchat e worhing and i look for network.

- do you know the real différence betweek cpa and cpl ?
- do you know good network for cpa ? And for cpl ? Thanks

Outlaw. - July 20, 2018, 1:07 pm

I wouldn't use any of those.

Snapchat eWhoring is more about selling premium.

I think you're referring to "cpi" instead of "cpl".

Difference is, CPI is for installs which usually refers to mobile apps. Your follower has to download an app for you to get the money.

Yes not all of your clicks will buy anything or "convert", that is normal. Best network for CPI in my opinion is OGAds.
