Thread: [SELLING CDON GIFTCARDS AND SF BIO TICKETS \[SWEDISH\]](#)

ahmadrules - July 20, 2018, 1:29 pm

I have an endless supply of CDON giftcards and SF bio tickets, both of which are swedish sites.

The tickets are \$8 (or 70 SEK) and can be used any movie, expect for those with cinemax. You can use them for cinemax, but you have to pay a bit aswell.

The giftcards are loaded with 300 SEK and I'll sell them for 200 SEK. You can use as many gift cards as you'd like on a single order.

HMU with contact details if interested.
