Thread: [Human Manipulation Guide Giveaway! | Great for Business and Talking to Women |](#)

Sigma - July 21, 2018, 10:06 am

This is an awesome guide to checkout if you like reading this type of stuff and gaining this skill. I have used this myself, it is an interesting read.

Send me a P.M if you would like it. You can post to if you want to keep the thread up, that would be helpful.

* Only for L33T, Root, Ub3r and Epic members since they have contributed to HF.
