As far as I'm aware you're allowed to buy/sell eBay gift card(s) but you're not allowed to buy/sell eBay accounts.

Quote:Amazon/eBay Account Trading

Any buying, selling, or trading of eBay/Amazon accounts is not allowed due to the fact that these accounts have credit cards and personal information attached.

eBay Partnerships

We no longer allow partnership offers concerning eBay accounts. They're being used to commit fraud. And as such we've disallowed the activity here.

I've also found several threads in CE section where users were buying or selling eBay gift cards.

Like Meow said, as long as you're selling just the gift cards, you're good. Stolen goods are not allowed however, so if you start selling them, they have to be acquired legally.
