It has been started to involve people in forum games and activities.
Thanks

Kind sir, I have purchased a whopping 5 tickets for this splended Bytes Lottery! :) ?

It's the little things that make HF or any site more appealing to use. In this case, the lottery.
And before you thank me for entering, thank you for hosting it!

And before you thank me for entering, thank you for hosting it!! I think Omniscient and Xerotic should be thanked for starting Lotteries and bytes and other things related to it. This will increase activity and make HF a fun place for members. Cheers ?
