People do this to time waste. If you gave him the ID that he's looking for. He will come out and say "Alright well I'll think about it" been through it before lol

silentcowzzzz - July 29, 2018, 12:31 pm

Timewaster alert!!!

MF GLOOM - July 29, 2018, 12:35 pm

Yeah just block and move on. Anyone asking you to jump through like five different hoops is not worth the time or effort.

petalsahakura - July 29, 2018, 1:16 pm

Yeah, waste of time. No one, even if they were a real ewhore, would show their license to a stranger on the damn internet.
