Thread: [Appraisal on OG Ig and STACKED Fortnite accounts + Free vbuck method for xb1/pc](#)

Vnbound - July 23, 2018, 8:31 pm

IG is Thursd*y hint: aaaaaaaaaaaaaa
fortnite accounts i have 6 in stock all w og email besides one
Black Knight + Sgt green clover + Reaper Axe
Skull trooper + Nog opps + No rare pics but has a decent selection
Skull trooper + renegade raider + codename elf + Sgt green clover + Reaper + raiders Revenge + Crackshot
Red nosed Raider (only rare skin)
Ghoul / Skull / Aerial assault trooper w reaper axe
Nog opps Account with 3 other bland skins
Free vbuck method, requires money to put in (20-100\$ whatever amount of vbucks you want) but you will have money back instantly

If the vBucks method consists in refunds it is not worth anything as it is highly public.

Are you selling any of these accounts or just looking for appraisals on everything separately?

Well I don't know prices tbh, but when you get some appraisals from people be sure to hit me up in PM's because i'd be interested in one of the skull trooper accounts.
