I am just testing the water for more give aways. Not sure what's the values of bytes is but people seem to want it so here I am.

1 rep - 10 bytes

3 rep - 30 bytes

Not only when you rep me you get bytes but a forever free entry to my contests.

If you have repped me already from my pass contest just post "already rep you OP from previous" and I will send bytes your way

Omise - July 24, 2018, 9:21 am

Hook me up with those Bytes bro. Bytes remind me of when BTC was so worthless you could send it as a joke.
