Eccy - July 25, 2018, 6:23 pm

Right now I'm wearing the Sui Generis userbar, pretty dope.

I have 0 alerts and 0 PMs, I read everything as soon as I get them.

Aurora - July 25, 2018, 8:51 pm

I'm not sure if that's considered a "userbar," but I have 0 alerts and 0 unread PMs. ?

RS gold is something of value therefore it is definitely something worth bragging about.

This however is not imo. I check all my alerts the second I get them and delete my PMs regularly.
