Thread: [Free month of membership + purple skin](#)

5oak - July 26, 2018, 7:55 am

So another year, and we get another Twitch prime promo, 1 month of free membership and a purple skin ingame. All you need is a credit card to join the 7-day trial [here](#), link your twitch and rs account and claim the pack, then just simply opt out of the prime.

It's going to be up in about 1hr 20mins ~~ (5pm bst)

I abused the shit out of this last year. Lol, thanks for the heads up partner.

Mystical123 - July 28, 2018, 7:11 am

Thanks for this, twitch prime loot has been terrible until now!

Silent Uprising - July 28, 2018, 2:43 pm

Has anyone tried it with fake information and got it to work? Like last year it was simple but now it ain't working out.
