Thread: [Silver 2 jg - bronze/silver free boost \[any region\]](#)

**Destiny©** - July 26, 2018, 9:04 am

I've managed to get to bronze to silver plenty of times.. I am capable of carrying myself through silver 3-2 just looking to learn more without hurting anything.. normals are too easy and I get placed weird in flex

I'm from na and I can handle 150 ping from eu
