YouTube Live Stream views \$5/1000 x minimum 5000, = \$25.

There is multiple other services for \$12, way overpriced imo.

There is multiple other services for \$12, way overpriced imo. Our prices are one of the cheapest around , we do understand that some could be "way" overpriced for some people but we can't really do much about it . We are doing our best to lower the prices to the best we can but there are some limits that we do not want to reach or we would just lose money , i hope you understand .

Have a good day.

First of all . You sent first a bonus ticket , we replied to it and sent your bonus and after some hours you decided to write on the same ticket titled as "BONUS" a problem that you have with your order , i think the problem here is you not us . We do reply to tickets , it could take up to 6 or 8 hrs due to a lot of requests , but don't expect us to reply to a ticket that is called "bonus" after we already replied to it .

Sorry but on your website it says "Create one Ticket ONLY for lifetime" so i saw that rule, didn't break it and made only one ticket to which support team replied.

The fact though that they promised 1-3 hour delivery time and it's been the second day that i wait my 2000 twitter follower order is not acceptable i think.

I am not trying to be rude or anything, i am a customer , who were promised something and it was not fulfilled.

You are the business owner, that's how you manage your customers?

Here is the picture which says ONE TICKET AT ALL TIME, ALL RESPONSES TO THIS TICKET.

<https://imgur.com/a/yZju248>

What the fuck should i do then, i can't change the ticket subject, or was it my fault opening a ticket with that name.

Please, let's find a good solution.

EDIT 17:57 time : I am giving another 6 hours honestly for a solution.

If not i am waiting for a full refund & if not again i am opening a full scam report).

YuDoDisToMe - September 27, 2018, 2:24 am

User has not provided me neither a reply nor a refund or delivery of the Twitter followers since 23 September.

I ordered from my remaining balance Instagram followers got them and already 200 have unfollowed.

Highly advice you to not buy
