duepi - July 29, 2018, 11:23 am

I request a vouch copy to make a review ?

Theocritus - July 29, 2018, 11:57 am

which one of you rated my thread 2 stars already...

banboster - July 29, 2018, 12:00 pm

wow...this is so beautiful///

i wish i could get a vouch copy, but rules forbid me.

Kinda new here.. All the best for sales buddy.. Hope you earn good

John F. Kennedy - July 29, 2018, 12:18 pm

Could I get one of those vouch copies?

Theocritus - July 29, 2018, 1:38 pm

(Jul 29, 2018 12:18 PM)John F. Kennedy Wrote: [\[CITE\]](#) Could I get one of those vouch copies?
sorry only for HQ ub3r members

Galaxias - July 29, 2018, 3:08 pm

I'd love to take a vouch copy if I am considered HQ Theo :)

Bluffer - July 29, 2018, 3:58 pm

I'll be honest, I think that taking a method that is known and spinning it into a better and improved method is an absolutely great idea. I did this for my own ebook and loved the method I was able to come up with and improve the old one.

I'd love to check this out as a vouch copy. I know you and I haven't agreed on things in the past but I'm sure that doesn't take away from me being a HQ member who can trustfully review this.

I'd be happy to check this out and post my thoughts, and although I admit my review will not be as HQ as yours are I'll try to do my best.

Let me know please, and don't rule me out just because we haven't agreed on things in the past.

Theocritus - July 29, 2018, 4:11 pm

Let me know please, and don't rule me out just because we haven't agreed on things in the past. i do feel my review of your ebook in the past was perhaps overly negative to what it perhaps should have been.

(Jul 29, 2018 03:08 PM)Galaxias Wrote: [\[CITE\]](#) I'd love to take a vouch copy if I am considered HQ Theo :)

ha now you have time to review something is that it XD.

well for all above i will let these vouch copies stay till i get up again in the morning to choose who gets them

John F. Kennedy - July 29, 2018, 10:31 pm

Funny how you're selling this \$20 eBook while you claim to make \$500 a day selling Spotify

Also we know you just leech public combos lol

Good luck with sales!

Theocritus - July 30, 2018, 6:27 am

(Jul 29, 2018 10:31 PM)John F. Kennedy Wrote: [\[CITE\]](#) Funny how you're selling this \$20 eBook while you claim to make \$500 a day selling Spotify

Good luck with sales!

i get combos from multiple places, i have a private supplier as well

also this isn't the method i use to make over \$500 a day with, this is just my take on the spotify method. the one i make actual real bank with is a good bit different and not something i will sell at this time

"Funny how you're selling this \$20 eBook while you claim to make \$500 a day selling Spotify" and yes i am selling this as cheaply as i am because i am in no need of grabbing as much money as i can from this. and again this is not the same method as that at all. and i don't appreciate you taking things out of context.

? THEINsPIREDONE - July 31, 2018, 6:24 pm

Vouch for OP, worked with him on multiple occasions in the past, great business man to deal with!
Best of luck with your services!

Galaxias - August 1, 2018, 1:21 am

Hey guys, I just took a quick peak at the method and I can just say that I'm not familiar with the works of this but can see that it does seem legit and works as intended. Although you may need additional resources that he does provide but its best to get your own resources as it can be more effective and rather better so that you have your own accounts than shared. The method itself is pretty self-explanatory which is cracking accounts, and if you have a background in that, this should be a breeze. How to upgrade accounts and of similar activities, is pretty straight-forward as well. Once you crack a specific account, upgrading accounts for a fee should be a breeze. I haven't personally tested the method out myself because well I don't have that much free time at hand to do so but by looking through it and also going through some accounts that he has provided, I can say happily that the accounts do work and they are in fact premium (or upgraded).

Vouch.

Vamure - August 1, 2018, 3:41 am

Theo; could you please contact me next time you're on? Would like to see if you could help with something.

Also is this anything like using SentryMBA cracking? Or it more indepth.

Theocritus - August 1, 2018, 4:32 am

Glad you thought it was at least decent mate, cheers

Frost - August 1, 2018, 4:38 am

Not to sale trash but why sell public stuff for 20\$?

You just have to search on YouTube how to crack Spotify and there are plenty of tutorials.

I don't think you're offering a private cracker and/or private combos, so I don't understand that price.

Theocritus - August 1, 2018, 10:19 am

(Aug 1, 2018 04:38 AM)IC3zx Wrote: [\[CITE\]](#) Not to sale trash but why sell public stuff for 20\$?

I don't think you're offering a private cracker and/or private combos, so I don't understand that price. i do offer some private stuff for the ultimate edition. on the other subjects i justify the price as a good tutorial if you do not have knowledge about it but want to learn. and instead of looking around the internet for answers i provide anything in a complete bundle that's easily accessible. you pay for convenience and my take on the method

Bluffer - August 3, 2018, 12:51 pm

I received a vouch copy, here's my review!

To start off let me say I was under the impression that this ebook uses a "well known" method but has its own twist to it. As posted above I always like those kinds of ebooks because I think they are ones that actually work.

Each customer I can assume is given the same as I, four pdfs in total, as well as a video tutorial. Three of those PDFs are each a tutorial of some type, I can't really specify what without getting into the method. One of those PDFs is labeled as bonus content. Also included with the bonus content is some other stuff that supports the bonus content and makes it more useful to say the least.

As far as the quality of the method goes, I honestly don't think this is anything special. As OP stated it uses a well known kind of method to get Spotify premium but has a twist of its own, what this extra part of the method does is perhaps more common sense than anything. What's important to note is the seller has provided a custom tool to make this an easier process, I'm unsure if this was made by him or perhaps was leaked from another site though, I'd like OP to confirm this.

I think OP has done a good job at explaining the method, there are lots of photographs included and the method is well explained (although most of it is really common sense). He's also done a good job at expanding the well known method to where somebody who buys this ebook could easily use this method and start their own service of upgrading Spotify accounts to Premium for a price. One thing to note is that there is an expiration on this though, so you could use this method on your own account to get premium but it might only work for a number of months or even less. There's a few variables this will depend on.

Overall I do think this is a product of some good quality, however for me I don't think the method has much value to it since it's just a common sense twist to something that is widely known by many already, that being said the tools and resources that Theocritus has provided in this product is what makes it worth buying, not necessarily the method itself entirely. I think the price is slightly too much for my taste, I'd say something a bit cheaper would be better, I say this keeping everything in mind including all the bonus content. I'm not here to say how much I think it's worth but I'll say it anyways and I think \$14.99 is a perfect price for this product.

So that's my review, I would rate this product overall a solid 6/10.

That's a fair enough review. personally i would say that this eBook is worth it if you have never read about it before and want a crash course in how to do this. It is not meant for the already experienced in this market.

When it comes to my personal private method that i use to make well over \$500 a day using parts of this method may or may not be sold in the future at a currently undisclosed price.

Theocritus - August 8, 2018, 12:44 pm

if anyone is interested let me know

Theocritus - August 10, 2018, 7:48 am

Still selling this. Let me know

Theocritus - August 13, 2018, 4:16 pm

if you are wanting a full proper guide on how to get stoify for free for forever check out my eBook. and also fuck off the person that leaked it xd

Theocritus - August 16, 2018, 1:17 pm

this is still up and for the first few people i am offering a special discount. let me know

Theocritus - August 18, 2018, 5:47 am

this is still very much for sale so pick it up people

theusednapkin12 - August 18, 2018, 12:28 pm

(Aug 18, 2018 05:47 AM)Theocritus Wrote: [\[CITE\]](#) this is still very much for sale so pick it up people
On sale you said? Whats the sale?

Could You PM me On skype iShopwalmart Im not able to DM

Theocritus - August 24, 2018, 12:07 pm

Still selling this lmk people

Theocritus - August 26, 2018, 4:13 pm

let me know if you are interested people. still copies for grabs

Theocritus - August 28, 2018, 5:59 am

sale is still on, lmk people

monstermaash - August 29, 2018, 10:00 am

interested in this, hit me up.

Theocritus - September 1, 2018, 4:27 pm

this is still for sale so let me know if you have questions

Theocritus - September 3, 2018, 6:22 am

selling the next 3 copies for \$15! lmk people

Theocritus - September 5, 2018, 6:27 pm

above offer is still valid let me know people

Theocritus - September 8, 2018, 6:38 am

sale is still on so get it while its hot

Theocritus - November 6, 2018, 1:56 am

still have this if anyone is interested

Theocritus - November 9, 2018, 3:35 am

get your accounts free now and forever

Theocritus - November 11, 2018, 4:33 am
