So this was back in Season 3 and decided to upload this to Twitch and will eventually on YouTube whenever I get my YouTube situation all situated lol.

What do you guys think? Trust me, I'm a lot better than what you see now lol.

Well, I can't load up the video for some reason...

But overall, I would use aimbot and do my own magic ^_^

Next time you might try to upload it on Youtube ?

Weird, I wonder why the video isn't loading.

Right click on the video and copy link address.

360 * skills, just managed to check the video...

Yes, I know it's odd why your video didn't load up after I mentioned it wasn't working, but I checked it out...

Not bad :)

Thanks, gotta remember.

I'm 10x faster and better now since that was Season 3 haha.
