Thread: [What are you very good at doing?](#)

?elevision - July 31, 2018, 12:56 pm

Everyone has that one thing that they're really really good at. For example, someone may be good in computers, or maybe cooking, or is it sports? We all have it. Mine may be that I am really good at adding and subtracting numbers. What are you very good at?

Ravioli - July 31, 2018, 12:57 pm

taking a shit on your lawn just like your dog

yrnGarry - July 31, 2018, 12:57 pm

I'm good at killing people that sign up for hackforums with Millards as their username.

TBEClockWork - July 31, 2018, 12:58 pm

I am very good at becoming slightly above average at anything I want. Lmao dead serious though I lose interest in stuff really fast so I never fully master anything but I become really good at them. Examples include: Competitive Call of Duty, CSGO, Fortnite, and poker. My life is a joke

Netflix - July 31, 2018, 1:20 pm

Im really good at poker, whats up wana play heads up?

Calibur - July 31, 2018, 1:31 pm

Im extremely good at sleeping. I can sleep for almost 12hours.

peterfoy - July 31, 2018, 1:34 pm

I am good at regretting things, it's a special thing to be good at :3

Nearly everyone can do it but only few master it ^_^

DenizZ - July 31, 2018, 1:41 pm

I am good with everything, especially killing.

Same thing about me literally. Im pretty much more than average in anything(any sports, games etc) but i cant get more good than that at anything(no motivation etc) but im pretty sure i can get really good at smth with good motivation and dedication

DenizZ - July 31, 2018, 1:44 pm

They call me Deniz the Ripper btw.

?elevision - July 31, 2018, 2:08 pm

I'm great with computers. I practically grew up using em!

Can you hack me? I don't want to use the internet anymore because of you.

FiftyTwo - July 31, 2018, 2:24 pm

I enjoy cooking due to the satisfaction after cooking a meal and I'm actually not too bad at it.

oRequiem - July 31, 2018, 2:31 pm

I'm good at reading when it comes to spam LQ Posts.
