You guys probably have seen my XXX Piece, I've come back with a new piece.
Only thing I was indecisive about was the sweater; I had like 5 design ideas lined up in my head but it came out to colored worms.
Enjoy!

This is dope... I totally feel you on it turning out to look like colored worms haha. Don't fret, there's so much detail in the hair. Nice work.

Tell your cousin; thanks for viewing my art & supporting me by making it his phone background!
Means the world to me!

Breaks my heart; but they're in a better place.
They don't have to live in hell anymore.

oOooOoo very nice! Keep up the good work my dude.

Dope - November 7, 2018, 1:23 pm

Looks good, however there should be more shading under the hair imo.
