Post here when you're done

There are TWO prizes:

50 Bytes

Yeah man, you have to be an upgraded member. Go here and upgrade to 3p1c or L33t and you'll be able to give rep >> <https://hackforums.net/upgrade.php>

Sabotage. - August 9, 2018, 9:27 pm

You don't even have 50 bytes.

Lol! I will have when the drawing ends. I'm hoping to get enough rep to upgrade to r00t before the 15th, but if not then I'll just purchase some from the marketplace. No big deal.
