Eh it's a small thing I got +3 Rep today was like oh sweet so I +'d back.
out of no were some random -3's me and I don't even know him never had a conversion with him.

I know its a simple thing but its the point of it its stupid to do so.

Did you read what constitutes rep abuse?
Because this isn't it.

Perhaps the user read one of your posts and decided they didn't like you much? Doesn't constitute rep abuse imo.

I mean its the Principle in it , I don't even know the guy and he seen I clearly just got +3 rep when I was on 0 so some random was like oh ill just put me to 0 again and leaves bad rep on rep history.
oh look another -3 nice...

Get over it. Before you end up getting more -3's from this thread alone. It's rep. It has little impact on what you can do here on HF now.

This is not rep abuse.

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.
