Thread: [Anyone sharing their oldschool PKing acc?](#)

FaberCastell - August 9, 2018, 7:30 am

So i don't want to play, but i'd be down for a PK session on an oldschool.

Anyone willing to share their acc for a short period of time or perhaps occasionally? I'd prefer it to be a one or two-time event tho, don't want to get hooked. Maybe i can buy some RSGP for you in exchange.

FaberCastell - September 8, 2018, 4:34 am

Still looking for this. I would buy an account, but the rightful owner can recover it at any time, while i invest and put some items on it and then i lose everything... Or could i somehow secure the account?

I could sell you a possible ags tank to be, still needs some work. Str mainly. And I wouldn't be able to take it back because I am dumb as fuck and don't remember anything of it lol plus all memberships have been bought with bonds haha

What account build are you looking for?

If you wouldn't mind creating the account so you know it's secured under your email, I can help you get started with the account doing a fair amount of the quests, i won't do desert treasure but I might be able to help with getting the thieving requirement, if you want to get in on this idea then just message me.

I have a staking account i can share with you, way funner than pking with a chance of profit return selling the gp you win

pro22 - March 27, 2019, 6:19 am

OSRS pking is dead man , ppl use scripts to 1 tick ... and triple eat. You should stake :)

WhistleB - March 27, 2019, 2:24 pm

Just make one yourself. Make a strength pking account there the best.
