Tesla - August 11, 2018, 4:32 pm

Huge vouch for spiral, I accidentally sent him \$70 instead of 70 cents and he sent it right back to me. Most users would have just kept it since really it was my fault and not a scam. But he's a great trusted user and sent it right back. He also has codes for the low so definitely buy off him before it's too late! Once again huge vouch for spiral, don't hesitate to deal with him!

freshog- - August 12, 2018, 2:05 pm

bought, fast and smooth transaction!
