Thread: [\\$100 BTC/ETH/LTC Giveaway | Rep + Post for Entry](#)

Lukas - August 10, 2018, 5:32 pm

Spoiler ([Click to View](#)) Post numbers will be entered on [random.org](#) and whatever number it picks, the post that matches with the number will win.

Contest ends on 10 September.

Winner is free to choose whether they'd like for their payout to be in Bitcoin, Ethereum, or Litecoin.

One post and rep per member -- if you've posted more than twice, you're disqualified. If the winner did not leave rep and did post, or vice versa, then the numbers will be redrawn.

Good luck.

Cutting it off a day short.

PMed the winner -- waiting for their reply before I update the thread.
