Thread: [Congrats to Vitani & Steve](#)

Neodraxis - August 10, 2018, 5:49 pm

I haven't been as active as I was a couple months back, but one thing is for sure, there has been a lot of changes happening.

From Xerotic being appointed Admin, to tons of features being introduced (or "reintroduced"), change was inevitable.

Like Minimalist has said in his "The End" thread, changes has happened, whether we like it or not. And well, they're for better or for worse. But, that's just the world of the internet for ya. You have to adapt, and that is something we all must understand.

Minimalist, I haven't talked much to you (other than the few warnings I received), but from what I can tell, you worked your ass off on the forum. Rewind back to a couple months ago, I saw you viewing almost every thread in the Lounge, and being relatively active on other sections. You were like a hawk, on the forum 24/7 non-stop. And you worked your ass off, more than any other Staff member in my opinion. You were a rule enforcer, following everything by the book. And although in some instances I disagree with your methods, I respect it for sure.

Some of you may be thinking, "God damn, another goodbye post? Just click the god damn logout button!" No, this is not a goodbye post, rather a token of my appreciation to all the work that has been done whether I am active or not.

As for Vitani and Steve, well... More towards Vitani, I think if anyone were to be more suitable to take Minimalist's place, it would be Vitani. Like Minimalist, Vitani is always active, posting valuable threads on a constant basis. I've talked with Vitani relatively frequently and he is a great guy, I'm truly happy you were given the opportunity.

Steve, well from what I read, you signed up on this forum along with Xerotic and know him better than anyone else on here. Chances are, you dabbled on some of what he was smoking and it got you where you are today. You as well are very active, and I can't ask for a better edition to the Staff team.

Hope to see good things come from you two.

Ya I've never talked to vitani before but he has always been one of the most HQ members on HF in my eyes

Pronouncer - August 10, 2018, 5:54 pm

I miss minimalist..... Idk who Steve is, but vitani is someone I can agree with.

I don't know if it's just me but that just seems very disrespectful. Steve is a very helpful individual

and has earned his spot. Seems like your intention was to say he earned it by knowing Xerotic.

Either way, both are a perfect fit for staff and will do excellent.

I don't know much about Steve, but Vitani is very HQ, glad to see him get the position! :)

ETH - August 10, 2018, 6:35 pm

Congrats to both mates but I miss minimalist as staff

Bluffer - August 10, 2018, 6:46 pm

Both are well deserved positions, Vitani and Steve will make excellent staff members.

Charger - August 10, 2018, 7:14 pm

Steve and Vitani are great Staff choices. They will both do great.

ZuGgY - August 10, 2018, 8:53 pm

Ayy! Congrats to you both. That's sick that we have 2 Staff members (1 being an admin) that know each other IRL and are friends. Neat.

GloryToBe - August 10, 2018, 8:56 pm

I've seen them around hackforums and I think they will make great staff members.

Vitani's Mate - August 10, 2018, 9:18 pm

Looks like Mini Mod Vitani got a promotion. XD
Lmao, I'm proud!

mfw you signed up in May of this year. What is going on with either the straight brown nosing of people or the straight up hate of the changes on the site?

Even when I joined, Xerotic was just appointed as an Admin, there was a rep reset, vouches was implemented, a lot has been done.

Not sure what you're saying.
