Reason : He always offers free services and does them perfectly. How can he earn when he is always offering free service ?

Here are a few examples of his services ...

[100%\[FREE\] RAT/Keylogger-Setup/PortForward/RAT Testing and more\[FREE\]](#)
[First Peoples to come here will get Free Demonoid Invites](#)

So , he definitely deserves HF L33T . Not just L33T , he deserves Ub3r also .
But as this contest is only for L33T , I am nominating him for this.

Meep - August 4, 2010, 9:32 am

airex22 Has been begging everyone to vote him, i wouldn't advise to vote for him as he hasn't earnt respect for people to vote for him without them asking him to.

Zed™ - August 4, 2010, 9:42 am

He very well has earned it. On his RAT setup thread he's helped quite a load of people, and he doesn't charge.

Braco Asshole - August 4, 2010, 10:06 am

The user SilverWolf asked for me to vote for him:

[img]http://i35.[censored].com/o5rk1y.png[/img]

I think he should be disqualified for that.

BTW I voted for TheNeuroticNinja* .

Airex - August 4, 2010, 10:11 am

Please put it on a spoiler

and i dont think if begging votes aren't allowed

because OP didn't post it as a rule.

Braco Asshole - August 4, 2010, 10:14 am

It doesn't need to be in a spoiler. It is a good size. And yeah, it isn't alowed for vote begging.

look closer or get your glasses, i asked you to do me a favor, i didn't beg
if you dont want to then fine

Airex - August 4, 2010, 10:27 am

Me too i admit

i did it on my other friends too but... i didn't force them

i just tell them to "can you vote for me on this poll to obtain L33T membership?"

then if they said no... then i will just stop. and nothing to say.

I will accept if the OP disqualify me.. i dont have right to demands about it.

This is a contest... there's a winner and there's unlucky losers.. just accept it, there's more contest to come.

TheNeuroticNinja for sure.

He does a huge ammount of work for HF Coders, and is an all around great guy.

so your still wrong

Chris_ - August 4, 2010, 10:42 am

Wow if begging is allowed im going to tell all my friends.

Because I don't believe how im losing to someone who is barely active and has lower rep.[Silverwolf]

z3pt0seC - August 4, 2010, 10:58 am

Drizzy - August 4, 2010, 12:35 pm
