Directions

-Use this link to sign up.

<https://download.ring.com/PRxcSgGalP>

-Receive \$10 for signing up and registering

-Delete the app. If on IOS make sure icloud backup is turned off for apps! Turn phone on airplane mode then off to change ip

- Download the app again using YOUR referral link this time, register with another LEGIT email any name and confirmed address. Rinse and repeat.

-earn \$10 for each time you do that.

-Purchase the ring doorbell with the \$100 credit you receive from the 10 sign ups you just did!

TIP- DOWNLOAD a free disposable email app so u can have unlimited valid email addresses to use. Using fake emails risk your order getting canceled
