Thread: [Prefix](#)

eXceptional - August 13, 2018, 7:23 am

There should be a Prefix added for r00t

Vitani - August 13, 2018, 7:51 am

You should add more information about what it is that you are suggesting exactly. I'm not exactly sure what you mean.

I'm sorry for not being specific.

I am talking about the Thread Subject Prefix. A few sections have Prefix where HF user groups can be added. One of which is Free Services & Giveaways

Here's a picture of what I mean - <http://prntscr.com/ki71y0>
