Will give out 3 vouch copies, before updating the design of the thread.

Accepting btc/paypal.

Most of the HF sellers, send regurgitated, public info at high prices.

I'll send you a bundle of 50 money making ebooks, that contain various methods that are sure to nest you an income for a reasonable price.

Intrested in this one, looking forward to try ;)

God of Thunder - August 13, 2018, 11:22 am

Have you compiled this 'public information'? or did you just find all 50 of them online?

.fury - August 13, 2018, 11:45 am

It's probably all leaked ebooks.

Kuldar - August 13, 2018, 12:07 pm

Received the copy.

Has all the 50 E-books as promised. When you are stuck and out of ideas, imo this is a good investment for you! Will save you lots of time.

Basically, you are paying \$0.30 per method so it's really cheap.

I'll take a couch copy and give review quickly.

Received a Vouch Copy from lc3xr00t.

This E-book does contain the stated number of Methods. I will say a few are older methods and most are still working today. These guide are for some what intermediate CPA methods. Lots of possibilities to make money and learn some of the ins-and-outs. For \$15, I could not complain about this. It's cheap and but taught me something new.

Pochino - August 15, 2018, 3:24 am

Received the methods. This is the best bundle you can get for as cheap as 15\$! Ofcourse you have to work a bit to get cash. So dont expect methods which can be set up and work on autopilot. Great methods with high potential! Buy it as long as you can!

?KORNIS - August 15, 2018, 8:48 am

I tested it and what do you think? I earned \$100 in 3 days, thanks a lot!!

z1r0 - August 19, 2018, 5:22 am
