Thread: [ARE YOU ALLOWED TO ASK FOR REP?](#)

NotAFed - August 13, 2018, 6:42 pm

On every other forum this is a huge no no. Are you really allowed to ask for rep in exchange for services n shit here?

I am pretty sure that rep here means nothing and that you can ask for it or prob sell/buy rep.

Reputation has nothing to do with the Market.

Ah okay. Was a little curious about that since like, every other forum in existence will ban you if you ask for rep.

Asking for reputation wouldn't be a good idea on here anyways and you probably shouldn't.
I mean by definition of reputation is self explanatory.

I see so many people doing it all over the place for giveaways and shit, so thats why I was curious.

This dudes name's really "NotaFed". bruh.

You can ask for rep; it doesn't matter anymore. You'll just look like a scrub. You're just not allowed to make threads dedicated to asking for rep I believe.

Asking for it is never really a great idea. But as per the rules, you are now allowed to ask for rep.

"Yes, you can ask members to give you reputations. It used to be a policy violation but now it's not."

It's understandable.
But I'm sure everything since the changes are explained in the RANF Section.

A simple visit to the help document's section for reputation should answer your question:

Help Documents Wrote: Can members ask other member to give them reputation points?

Yes, you can ask members to give you reputations. It used to be a policy violation but now it's not.
