interested in buying pack 1

cVostok - October 23, 2018, 5:50 pm

I bought #1 pack and am pretty satisfied with it.

Notes:

Cons:

The pack is unsorted beyond clothed and nude
Many of the pics are not in a mobile ratio
Not many videos from the same session

Pros:

The pack has lots of photos and videos and is reasonably priced
The quality of most of the photos is great
lots of profile pictures
reasonably consistent hair color
The girl is attractive

Would definitely recommend to low-investment users!
