Thread: [An open challenge to HF members](#)

Originalkillit - August 15, 2018, 5:14 pm

Omniscient admin of the forum has introduced a new activity/game for us to gamble with bytes
So my challenge for the members is to take part in game and post the highest byte winning pick here
So let us now see who wins big amount and which member is so lucky

Name : Bytes Slot Machine
Requirement :at least one byte to play
<https://hackforums.net/slots.php>

I admit that I lost bytes in this game and i am not lucky but I enjoyed
My Highest score 500 bytes

Now let you guys start to play for either win or loose ?

Highest I got was 200. Check my Bytes history.

Reginald Kray - August 15, 2018, 5:15 pm

Am I the only one that was thinking Omniscient is a wild symbol ?

SIM-1349466 - August 15, 2018, 5:21 pm

150 was the most I won. Once I get more, i'll spend them "sparingly"
