Thread: [HF Slots - How much have you lost?](#)

Prox - August 15, 2018, 7:11 pm

<https://hackforums.net/slots.php>

Lots of people posting how much they have won, I need to know how many of you have 0 bytes because you bet it all and lost.

EDIT: Got up to 1500 Bytes and lost it all. Peace guys never coming back.

GloryToBe - August 15, 2018, 7:12 pm

Haven't lost anything, went all in with 400 bytes and won 5.3k bytes lol

It definitely is addicting though and you can lose all your bytes fast.

Riyu - August 15, 2018, 7:12 pm

I lost all my Bytes from that game

Originalkillit - August 15, 2018, 7:14 pm

Lost 300+ bytes for now but I don't see if you ever played that

Wafflemonger - August 15, 2018, 7:15 pm

I lost all 5 bytes that I had. The supreme loss is staggering, I honestly have no idea how I will continue living :/.

SIM-1349466 - August 15, 2018, 7:15 pm

I lost a little over 300 bytes.

Tesla - August 15, 2018, 7:18 pm

I have pretty much broke even, maybe lost like 50ish

oRequiem - August 15, 2018, 7:30 pm

Not me because I've only gotten 1 ticket and the competition isn't over yet ?

Zeus - August 15, 2018, 7:33 pm

I have lost 1.7k! it's depressing rip ::L

KyFu - August 15, 2018, 7:56 pm

I've only lost 30 bytes lol

It's pretty unique tho I like it

I agree, I had no idea bytes were coming lol.

Didn't even think of it.

ama - August 15, 2018, 8:00 pm

Great feature, digging it lol. Haven't lost much so far.

Going to be poor in a bit though.

Voluntaryist - August 15, 2018, 8:04 pm

Honestly haven't read anything about the system yet. Not super interested.

Steve - August 15, 2018, 8:06 pm

My Bytes Slot addiction has caused me to lose 6000 Bytes from placing 1000 Byte wagers. ?

Jeeze. You definitely take the cake. If there's a leader board I'll make sure you're at the bottom haha.

Tempting me to do a 900 wager.... Hehe.

I'd rather gamble on my own lmao

Originalkillit - August 15, 2018, 8:24 pm

Update lost 700+ of my hard work bytes I will miss them

gstar - August 15, 2018, 9:13 pm

I've lost 100+, not too bad.

Lost them all, kept losing all my bets lmao

Makaveli The Don - August 15, 2018, 10:44 pm

Lost around all my 250 bytes. Sad days.

You tempted me, I won, then I lost haha. I blame you for giving me the idea!

lol - August 15, 2018, 10:47 pm

I had 127 I think then 330 something then 0 lololololol oh well, it was fun.

Blame my roommate for telling me to bet 1000

Spotlight - August 15, 2018, 10:55 pm

Lost all of mine lol i only had like 30 tho

QU35T - August 15, 2018, 11:09 pm

Lol didn't know about it and just lost 30 bytes ;-; pretty addictive tho

Well, tell him I'm very disappointed in the outcome.

n0XZe - August 15, 2018, 11:43 pm

50 whole bytes! :D quality game!

Givenchy - August 16, 2018, 12:14 am

I can't even remember how much. I lost everything.

Almonds - August 16, 2018, 12:17 am

I started at 98, got to 450 then got a helluva a lose streak.

Feelsbad

Lavish Living - August 16, 2018, 12:17 am

LMAO!!!! everyone lost all their bytes.... please make sure to gamble responsibly, and to enter my lottery than ends in 2 DAYS!

S????i - August 16, 2018, 12:40 am

I've lost 111 bytes since starting like literally 4 mins ago.

CyberStrike - August 16, 2018, 12:47 am

I'm finally up I had started with like 401 and went down and back up now

Hexiah - August 16, 2018, 1:10 am

I've lost about 50 bytes so far.

Mr. Robot - August 16, 2018, 1:17 am

I didn't have much to lose as I put all my bytes into a lottery just before slots was put up.

Bluffer - August 16, 2018, 1:17 am

Lost like 400 that i had.

Rip dude that sucks.

SysAdmin - August 16, 2018, 2:29 am

I didn't lose anything, I stopped while I was ahead.

hash - August 16, 2018, 3:01 am

It's way too addicting. With this machine bytes value will go up for sure

Carl Elias - August 16, 2018, 3:03 am

I am waiting for a stat page to see like how many I lost and how much I won and others.

I haven't really been keeping track

Maybe, with Omni thinking about selling bytes through HF and the slots giving out 5K+ at times I think the value will stay roughly the same.

Yeah lmao I told you it was addicting.

BTB™ - August 16, 2018, 10:43 am

From 290 I came back to 250

Addictive....

.fury - August 16, 2018, 10:43 am

Have won 14 from now and lost 4 bytes.
