Thread: [|| 3 Winners x \\$10 BTC \\$30 Total || +Rep & Post To Enter || STAFF Will Pick 3 Winners](#)

Don Vito Corleone - August 16, 2018, 2:23 pm

Hello everybody,

3 winners will be picked that will each receive \$10 BTC. To enter you have to +rep me and post in this thread. Your post number will be your entry number, the winners will be picked by Vitani (a Staff member) through a random number generator. This contest will end on the 24th of August at 21:00 CET.

Vitani will post the results of the random number generator after ending date in this thread. The 3 winners will receive a PM from me asking for your BTC address so I'll be able to send your \$10 BTC.

Good luck to everyone who enters this contest! I want to upgrade to r00t and unfortunately, 100 rep is required to do so, hence this contest.

The contest deadline has been passed and with that I was asked to pick the winners. I used googles random digit generator for this.

The winning numbers are: 9, 12 and 27!

Number 9 = [utf-8](#)

Number 12 = [DooOmsDay](#)

Number 27 = [WageWolf](#)

Congratulations to all the winners above!
