Nah yaar , just passing time. i left this account for months while logging once in a while using only AA section.

initially i didnt have paypal then after few years after joining college there just was never a good reason to upgrade.

Originalkillit - August 17, 2018, 5:25 am

Why didn't you still upgrade yourself and you are even saying regular???

I am seeing you for first time in lounge

Welcome oldest buddy i'm Originalkillit aka most addicted member to HF

I joined i was 13 and did not have money.

When i joined college and had it , i was just not active enough or did not consider upgrading useful, i only use AA section.
