Auction
for
Xerotic Bot DNA Award

Hello everybody. My name is Xerotic and I [recently became an Administrator](#) here at Hack Forums. I will be (and have been already!) creating plugins, adding features to the site, and improving site functionality where needed. While I am in this position I will be dedicating my time towards HF full time. In order for this to be possible, however, I must be able to earn money to pay my bills. As part of a plan to allow me to dedicate the time I will be (and have been) dedicating to HF, Omniscient has allowed me to grant the [Xerotic Bot DNA](#) award once per month with the understanding that it will be sold or auctioned each month (or granted for free/not granted at all). This will allow me to afford my rent/bills so that I can continue to pump out code and bring some amazing features to HF. Features that have been talked about for years are going to be coming to HF swiftly, but only as long as I am able to afford to dedicate all of my time towards the site.

Award

The Xerotic Bot DNA award is very rare. It has only been granted four times! The award will only be granted once per month and it will either be sold, auctioned, or given away. It is designed to support me so that I can support Hack Forums.

I would like to thank [Novica](#) for creating the award image.

Auction Details

I will update the thread with the current high bid and bidder as often as I am able to. If you are the winner of this auction you can have the Xerotic Bot DNA award granted to yourself or another member.

End Date: August 22nd, 2018 @ 9:00pm, Central Time Zone

Item/Award:

PLUS an ADDITIONAL Hack Forums award if you choose to buy it now for \$1000.

(The bonus award is one of Omniscient's choosing and could be any existing HF award)

Accepted Payment Types: Bitcoin, Ethereum, Litecoin, Dash, Bitcoin Cash. I am open to other crypto coins if need be.

Bid Increment: \$25

Starting Bid: \$1000

Current High Bidder: [Horus God](#)

Buy It Now: \$1000

If you have any questions at all then feel free to post below or PM me. I am excited for some of the new features we have planned for the site this coming month. More Bytes games and the new theme that iHydra has been working on should be here soon. More and more will be coming to the site all the time.

Thanks everybody for the support. As everyone who has been active knows, it has been a very busy month on HF and that pace will not be slowing down. Support me so that I can continue to help HF grow. ?

Thanks!

If I had 750\$ I would definitely not buy this but would donate to a gofundme or something. This looks really cool for those people with lots of money. Thank you for your service here!

Punisher - August 17, 2018, 6:53 pm

Please support Xerotic for all his hard work, I've seen more changes done by Omniscient and Xerotic in the past few months than the entire collective time I've actively spent on HackForums. They both work extremely hard for hours each day, show some love.

Thanks for getting slots updated and working, it's awesome. Keep up the good work HF team! ?

I've been wondering bro when the August one would start.

Best of luck to anyone who donates for the best award on HF.

Horus God - August 17, 2018, 7:44 pm

I would take it right now, contacting you.

Fantastic additions being implemented by Xerotic, I'd be very surprised if someone doesn't 'buy it now' for the \$1K since it's been bought for higher than that the past few months.

Horus God - August 17, 2018, 7:48 pm

Nothing wrong with supporting a hobby you choose interests in.

I've supported HF and HF has supported me. Love this place.

Horus God - August 17, 2018, 8:49 pm

Yes, it is very helpful. Omniscient has been happy with my work and has been kind enough to offer an extra incentive for those who offer the BIN price.
