Accounts should last you at least 6 months. If anything were to happen though I will simply re-upgrade you free of charge! I've been a member of hf since 2009 so you can expect me to be around here for a long time to come ?

Looking to purchase, but what if in your membership some apps work and some don't? I've had an issue with that when I bought from another seller. Do they all work currently? No issues with opening/using all the apps?

People buying this without reading comments. I have opened a PayPal dispute against this user since he never responded to me and claimed he didn't receive the payment.

UPDATE -

I purchased this product early yesterday. Since then, our guy shade, has been on multiple times posting on threads, I've pmed him twice and he won't even reply. I'll give him one more day before I resort to getting my money back via PayPal.

?KilluaZoldyck? - September 8, 2018, 4:40 pm

Update 2: He said he'd refund me on the day... days ago.

?KilluaZoldyck? - October 7, 2018, 3:11 pm

Many weeks have passed

He ignores my PMs and it's clear he's just a scammer, don't buy anything of him guys.

jman456 - October 7, 2018, 4:22 pm
