Thread: [? \[5 FREE Bytes/Tickets - Roll the dice on my lottery! \] ?](#)

Punisher - August 18, 2018, 1:59 pm

How to get 5 FREE Bytes from me:

1. Post something interesting in the thread (what you'll do with the bytes, your favorite bytes feature, etc)
2. Wait for me to read it, and I'll send everyone who replies 5 free bytes!
3. You can either keep the bytes or use them to get 5 entries to my lottery.
4. Only giving each user 5 bytes one time, no double dipping please!
5. If you're an upgraded member, consider tossing a +rep my way and I'll give you 10 bytes!

Good luck and have fun ?

Only doing this for the first 50 members who reply! Hurry!

I like the signature market, but I don't think I'll ever sell my signature space again lmao
I accidentally listed it for 10 bytes, and someone put gay porn in my siggy for a day hahaha
I'd definitely consider buying signatures to promote a product or something though
Also, sent you some bytes - enjoy

Vanilla - August 18, 2018, 3:23 pm

I have repped and posting to enter for the extra 5 bytes here. I had Vegetable Sausage for breakfast. I like throwing all my bytes away when I have a giveaway soon.

Hey great job holding this contest buddy.

What will I do with these bytes?

Ah I'll gamble (read this as losing) them I guess and the best part..

What is the best feature of Bytes?

The slots really make you suicidal ?

WageWolf - September 3, 2018, 9:37 am

Already repped you, could you please send my ten bytes over, as well as a link to the lottery in the note, so that I can remember to get my entries? <3
