MrTobbo#8102 The deal will be done via hackforums with a contract to avoid either side getting scammed.

\$250 BTC mate. Someone's thinking about paying \$200 atm which I'll be accepting tonight if there's no further offers.

It cost me around \$150 to get bgloves back when I used to use it + loads on pleveling.

I'm off to work now (It's 1:25pm for me and I'll be back around 11:30PM)

TheMedigator - August 21, 2018, 11:46 am
