Lynda.com Unlimited Premium

What is Lynda.com?

[About us](#)

Description:

I am selling an eBook to create unlimited accounts for Lynda.com, No investment is required and takes 20 ~ 30 seconds at the most!

All premium features are accessible without any hassle and it is easy to follow / very profitable! Once done you could login with your preferred e-mail directly on Lynda without any effort.

Also, I've included an additional tip in the guide to ensure this specific method should work lifetime and redoable!

Price: \$4,99

Where to buy?

[> Buy now <](#) (Autobuy)

The guide will be automatically delivered to your order e-mail after purchase!

Includes:

- All Lynda Premium features without any hassle!
- No investment is required / legally obtained!
- Lifetime durability / e-mail access!
- A Lynda Premium lifetime subscription within 30 seconds.
- Easy to follow / profitable!

(Aug 20, 2018 05:01 AM)CyberPhunk Wrote: [\[CITE\]](#) I have received a vouch copy for "Lynda.com Premium account" and I have no relations or affiliated between me and OP/Author

Grammar / Layout - [9/10]: There were no mistakes in the ebook , Layout could have been a bit better.

Originality - [10/10]: There are 2 methods described in this eBook, one is for 30 days and other is permanent premium. I have not seen either of these methods before and both are very easy methods to follow.

Ease of use - [9.5/10]: The description along with pictorial representation using screenshot makes it user friendly and there is nothing which requires investment. The desired accounts can be achieved by simply following the steps provided. I tried the 2nd method and took me hardly 2 minutes to create the same.

Overall - [9.5/10]: This ebook is very simple to use. I recommend anyone who wants to get a premium account to purchase this ebook as I am completely satisfied with the output by following the steps in ebook. Also its very safe method and i doubt it will get saturated.

I vouch for this ebook and wish KeySender good luck with sales, Thank you for sharing a vouch copy!
