Thread: [I'll buy you the Gift Award](#)

Have you ever wanted that cool Gift Award but don't want it to say "You bought yourself a gift"? Ever wanted something really cool to be even cooler by having [Charger](#)'s name attached?

For only \$28 BTC/ETH OR \$25.50 BTC/ETH and 55 Bytes I will buy you the Gift Award and you'll forever have "A gift from Charger" attached to your profile.
