Just to show you that i know what i'm doing.

This youtube user has bought 3x 1 hour session with me, sadly he went inactive a lot of times so hes growth is not as big and quick as my other customers (expect to see a similair growth in 1 to 3 months time if you follow my steps), he also didn't listen to much to what i had to say, but he allowed me to upload this.

See the watch time? This dude make's videos that are 2 minutes long.

Per 1k views you get around \$1, so at the moment he's making \$50, EACH DAY!

If you purchase this eBook, i will send new methods to grow your channel to the email you bought it with every few weeks.

This eBook comes with free support over PM here on HF, however if you pay \$20 more, i will give you a way to contact me on my phone, so that i can support you 14+ hours a day.
