Thread: [BRAGGING BYTES \(SLOT MACHINE\) :WEEK 1](#)

Originalkillit - August 21, 2018, 9:32 am

Omniscient admin of the forum has added a new feature in HF called "BYTE SLOT MACHINE"

So I had open challenged members to take part and win big

Now most of the members took this challenge and won some bytes but

Today I am gonna post the "TOP 4 LUCKY MEMBERS" who won "HIGHEST BYTES in ONE spin" this week

So lets start

1) [WageWolf](#)

This member took "ALL IN ONE SPIN" and won the highest bytes so far and ditch the other top members down

HIGHEST BYTES WON IN ONE SPIN :15,000

PROOF :

Spoiler ([Click to View](#))

2) [iNviz](#)

Our one of the loved mentor in HF is the first member to get all king of hearts in line

HIGHEST BYTES WON IN ONE SPIN : 4,000

PROOF :

Spoiler ([Click to View](#))

3) [Flamingo](#)

One of the lucky member and who dare to go for "ALL IN ONE SPIN" and won bytes

HIGHEST BYTES WON IN ONE SPIN : 4,000

PROOF :

Spoiler ([Click to View](#))

4) [Steve](#)

Our One of the helpful,loved and lucky staff member who took the challenge and won

HIGHEST BYTES WON IN ONE SPIN : 3,000

PROOF :

Spoiler ([Click to View](#))

So guys this challenge is still up and I want other members to take part in this challenge and take the top spot

<https://hackforums.net/slots.php>

If you win big then capture the moment and please post that in this thread

<https://hackforums.net/showthread.php?tid=5874350>

*NOTE L33T members cannot view the byte history so request to capture the image and post on the specified thread ?

I Congratulate the top 4 members for winning highest bytes this week

?

Yeah man, they make me happy on the inside.

Steve - August 21, 2018, 12:01 pm

Does no good to win 3k bytes if you lose them all soon after :(

Holy moly 15k bytes! Congrats!

I know right? That's been me all week, I used to do the same thing on lucky samurai with Liberty Reserve.

Uploader.sx - August 21, 2018, 2:34 pm

You should add a RIP Bytes section.
I would be in the top of that list

Any one else won big then post guys I will be updating this weekly
Then post it here guys <https://hackforums.net/showthread.php?tid=5874350>

Banter. - August 26, 2018, 5:09 pm

Wolf killing it with that spin :)

Host - August 28, 2018, 6:20 pm

That game sucks, it just took all my bytes.

Yin Yang - August 28, 2018, 6:24 pm

I'm pretty jelly to be honest- give me some damn bytes

Yes if they gave some then pass some here too

SIM-1349466 - August 29, 2018, 1:51 pm

Trying to buy bytes so I can play again. Won 1,000 yesterday, but gambled / bought lottery tickets with it all.

Banter. - August 29, 2018, 4:44 pm

Nice win i got there now :D

Abxrpt - August 31, 2018, 12:12 pm

This is actually pretty cool! So it's a built in feature so I've read? Cool! Makes it fun

jobhip - September 2, 2018, 11:48 am

Won 100 in one go, but lost everything. :/

Dark Star - September 3, 2018, 7:23 am

All of the members posted on the thread are now with balance under 50 bytes now. Gambling is bad. XD
