Thread: [True face of Mr Robot revealed \(hard content\)](#)

Account of the Gods - August 21, 2018, 1:55 pm

shocking truth about mr robot revealed: (not a fake) (nope i didnt insult him) (nope, i didnt provoke him)

Spoiler ([Click to View](#))

I agree i can be useless not contributing shit pile ? ? ? but does contributing and writing tutorials exclude you from bans and allow you to daily send messages and posts like this guy?

post your opinions please !

I got clickbaited,
so did you.

....

No one cares OP. It's between you and him :)

if you wanted to see his actual face then you could just login on his stream. its obvious i meant mr robot true personality when i used face as metaphor.

I am fully happy with the PMs being posted for anyone wondering.

I'll just go ahead and close this, before it turns into a shit storm.

@OP, if Mr. Robot is harassing you in PM daily for no reason, forward it to Omniscient. He will look into it and take the appropriate action from there.
