Thread: [ACTIVE HQ 20K IG STATS LUXURY NICHE - OG INCLUDED](#)

cogito - August 21, 2018, 4:33 pm

Hey there,

I have 2 nice luxury niche Instagrams for sale today.

The first account has 21k followers and gets 2200 likes. The account is active and all engagement is organic.

The second account has 20k followers and gets 750 likes. This one is semi-active and all engagement is organic too.

Both include OG email.

Post here for the @ taking offers on this.

Don't waste my time with stupid questions and stupid offers.
