Thread: [100% FREE Backlinks! Giveaway for EVERYONE](#)

Mastif - August 22, 2018, 4:57 am

First day here so I thought I'd start it off with a freebie.

For anyone in the online marketing/SEO industry - you know backlinks are KEY.

So I'll be providing EVERYONE with a bunch of FREE backlinks.

*These are Scrapebox/GSA generated backlinks, so be careful directing them straight to your money sites

Just post below with "Mastif, you star." and send me a PM with your URL, niche and 5 keywords to use for contextual links.
