Thread: [Need REPUTABLE Reviewers For This Method](#)

wraxu - August 23, 2018, 7:14 am

I just wrote a 1500 word guide which is really high quality and will truly make you money. I think people have lost trust in ebooks, so I want some people who have a history writing reviews to write some for me.

If you don't have a history of writing, you can buy the guide for just \$25 for the new few days.

Is this 100% Authentic money maker? How long till I can buy a car etc. Is this whitehat or blackhat?

FiftyTwo - August 23, 2018, 7:34 am

I'll take a vouch copy in exchange for a detailed review.

Vanilla - August 23, 2018, 7:39 am

In all seriousness though, I will take a copy to vouch for you. Let me know.

Raz Riverblade - August 23, 2018, 7:39 am

I've got some writing experience. Wrote a thesis for my degree and quite some articles for local newspaper

I can give you an honest review. not going to lick your heels if it's bad tho.

Do what you want, but you aren't really a known reviewer.

I don't recommend sending your method to anyone except Appraisers.

Good, cause all these people posting are most likely in it just for the method, not to write a proper review.

Keep us updated on when to expect the reviews Zir!

Interested buyer, I would like to see reviews first to see if this is for me.

Are we supposed to believe your ebook is good because you want a reviewer? Your sales thread literally has no details or any reason one should believe you.

xjamer - August 23, 2018, 9:32 pm

I have already done reviews for a few people. I send the review to you first to check if you like it and I make sure there are no spelling errors. Also, I add a ranking system, and I will only post the review when we both agree on it. I also post it on my discord where I have over 300+ people also a discord with 50+ people who buy reviews that are vouched by me. I can show you the proof for both.
